

32nd Biennial Meeting Social and Scientific Program

View the scientific program on our website

October 25 – 27, 2018

On Thursday afternoon October 25 at 1:00 p.m., the Examining Committee will view case reports for those who wish to become Fellows. The model display room will be open each day of the meeting from early morning until late afternoon. All members are encouraged to bring case reports to display. To bring case reports is a privilege – and a **DUTY** !
